Join the #1 Hospital in Wisconsin as a Lead Emergency Technician!

We are seeking an **Emergency Technician** to:

- Precept/mentor Emergency Department Technicians.
- Act as a resource to unit staff.
- Teach, guide, and evaluate the performance of other staff.
- Design, implement and evaluate quality improvement projects.
- Coordinate work assignments and review/update protocols.
- Perform direct patient care duties under the general supervision of a registered nurse.
- Process completed charts, obtain medical records, and assist with admission or discharge paperwork.

Prepare and clean equipment and room.

Education:

Minimum – Completion of EMT-IV or EMT-P program

Work Experience:

Minimum – One year of experience as an ED Technician.

Licenses and Certifications:

Minimum – CPR/AED course work completion. Completion of UWHC Basic Arrhythmia competency. National Registry or any State Emergency Medical Technician – IV or Emergency Technician – Paramedic license.

Preferred – ACLS and PALS certification.

Required Skills, Knowledge, and Abilities:

- Ability to mentor or precept new employees.
- Ability to provide education or in-services.
- Knowledge of Standard Precaution techniques and ability to incorporate Standard Precaution techniques while providing patient care.
- Knowledge of safety measures used during provision of patient care.
- Knowledge and ability to practice aseptic technique.
- Ability to read in order to interpret type and level of patient care ordered, to record patient vital signs, and to understand and follow instruction related to basic patient care.
- Ability to learn patient care procedures.
- Ability to apply patient safety protocols.
- Ability to understand the use of patient care equipment and supplies and the principles of infections control.
- Ability to work under a fast pace and stressful environment.
- Ability to observe and accurately report on the condition of the patient.
- Ability to communicate directly with physicians, nursing staff, patients, and patient families to receive instructions on the treatment plan and report changes in the patient's condition.

Physical Requirements:

Medium: Ability to lift up to 50 pounds maximum with frequent lifting and/or carrying objects weighing up to 25 pounds.

Work Schedule:

- 90% FTE, 36 hours per week.
- Day/Evening, 8/12 hour shifts

- Every other weekend rotation.
- Hours may vary based on the operational needs of the department.

University Hospital in Madison is a Magnet®-designated facility that's **ranked Wisconsin's #1 hospital** and considered one of the nation's leading hospitals, teaching institutions and referral centers.
